## FIGHTING BETWEEN BORDER PATROL AND ARMED BAND RAGES

(By Associated Press)  
ST. LOUIS, Mo., Aug. 31.—Fighting between the armed forces of the United States and a band of armed men, who are fighting against the government, has been raging for several days in the border region between Missouri and Arkansas. The fighting has been very serious and has resulted in the death of several men on both sides. The government forces are now fighting a battle of attrition with the band, which is estimated to be about 100 men strong. The band is fighting for control of the border region, which is a very important area for the government. The fighting has been very serious and has resulted in the death of several men on both sides.

## NOTED NEVADA PIONEER DIES AT SON'S HOME

(By Associated Press)  
LAS VEGAS, Nev., Aug. 31.—A noted Nevada pioneer, Mr. J. H. Adams, died at his son's home in Las Vegas. Mr. Adams was a well-known figure in the community and had lived in Nevada for many years. He was a pioneer in the mining industry and had been successful in several ventures. His death was a great loss to the community.

## EXPLOSION DESTROYS DIRIGIBLE BALLOONS

(By Associated Press)  
NEW YORK, Aug. 31.—An explosion destroyed a dirigible balloon in the city of New York. The explosion occurred while the balloon was being inflated. The balloon was a large, rigid airship and was being used for a demonstration. The explosion was very loud and caused a great deal of damage to the balloon. The cause of the explosion is not yet known.

## MINING CONDITIONS CONTINUE TO SHOW GREAT IMPROVEMENT

(By Associated Press)  
LAS VEGAS, Nev., Aug. 31.—Mining conditions in Nevada continue to show great improvement. The mining industry in Nevada has been very successful in the past few years and is expected to continue to be successful in the future. The improvement in mining conditions is due to a number of factors, including the discovery of new mines and the use of new mining techniques. The mining industry in Nevada is a very important part of the state's economy.
